

ANDERS BUFFET  
75W X 21D X 35.5H

HONNING.US

## ANDERS BUFFET

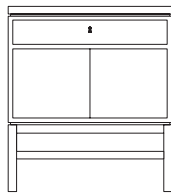

Dimensions: 75W X 21D X 35.5H

Materials: Quartered Ash  
Polished Nickel keyhole

Designed by: Maxine Snider

Description: The Anders Buffet draws influences from the clean lines and precise details of Scandinavian furniture and construction. The dowelling, subtly expressed in the joinery of the multi-legged base, is a traditional woodworking technique in use for centuries, providing both beauty and exceptional strength. In addition to bleached and quartered ash, the buffet is also available in deep brown and ebonized finishes. The individually keyed sections are fitted with drawers and adjustable shelves and trimmed in polished nickel.
