

AVIGNON DINING TABLE
60 DIA X 30H
HONNING.US

AVIGNON DINING TABLE

Dimensions: 60 DIA X 30H, with 22" extension (82 OAW)

Materials: Walnut

Designed by: Maxine Snider

Description: There is no furniture piece more human than a table; tables connect us to each other and connect us to a larger space. They allow us to display treasured objects, set out food, or engage in conversation. The Avignon Dining Table is a refined and beautiful round table made of solid walnut with a sunburst veneer top and an extension feature for larger groups. Its unique stretcher base is designed so that the appearance of the table remains as attractive when opened as when closed.
