NEW HAMPSHIRE SETTEE

Dimensions: 57W X 21.5D X 37H, 18.5 SH

Materials: Walnut in standard finishes
Lacquer on Maple
COM/COL

Designed by: Maxine Snider

Description: Our New Hampshire Settee literally expands its forerunner, the New Hampshire Chair, into a quirky and stylish bench, our 21st century nod to Shaker. Think seating for three at the dining table or a relaxed perch in the entry hall. Choose from a selection of luscious lacquer colors on maple or rich stains on solid walnut. Expand with an additional "chair" width for a custom size.
