SALON SLIPPER CHAIR

Dimensions: 30W X 31D X 32H, 18 SH

Materials: COM

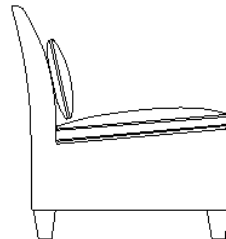

Designed by: Maxine Snider

Description: Slipper chairs, once used exclusively in the bedroom to provide a comfortable perch while dressing, have found their way into every room in the house as well as into hotel lobbies and lounges. Their essence is a perception of openness and lightness, and a welcome relief from all the “arms” in seating. The Salon Slipper Chair is generously scaled for comfort and finished with an elegant tailored skirt.
