CITY BENCH

Dimensions: 75W X 19.5D X 19.5H

Materials: COM/COL
Quartered Ash
Brushed or Polished Stainless Steel
Brushed or Polished Bronze

Designed by: Maxine Snider

Description: The City Bench is a double-duty piece that also knows how to be a table. Supported by slender stainless steel or bronze legs, the generous upper shelf is upholstered with buttonless biscuit tufting and a pair of discreet bolsters for a comfortable perch. A second shelf is at the ready for a book or two, a box of photos, or a pair of shoes. Reverse the shelf lengths and the bench becomes the Berlin Table, best in class.
