DENMARK MIRROR

Dimensions: 36W X 36H X 2.625D
40W X 60H X 2.625D

Materials: Walnut

Designed by: Bridgette Buckley

Description: The Denmark Mirror is an internationally inspired piece that looks to the craft techniques of American "Tramp Art" from the late 19th Century; the substance of 16th century Dutch painting frames; and the geometry of the exquisite architectural facade of the Kalvebod Fælled School in Copenhagen. Offered in Walnut and finished in one color, or with an accent, in two standard sizes, or custom sizes on request.
